Director's Note

Want to change the world? There's nothing to it!

-Willy Wonka

Thank you for coming to see our spring musical- Willy Wonka Jr! When we first decided on our spring musical, I was excited...yet slightly nervous. Willy Wonka is a big show that contains so many iconic characters, songs that audiences know by heart, and props, sets, and costumes galore! My mind was spinning of ways we would tackle this beast of a show. But, from the first rehearsal, I knew we had something special on our hands. These students have continued to impress me with their abilities to perform, build, craft, and create theatre magic that fills my heart with... well, Pure Imagination! I am so incredibly proud of their hard work.

This show would not be possible without the amazing help of all our parent volunteers who helped feed our students, make our costumes, build our sets, and do so many thankless jobs. If you see a volunteer tonight, show them some love!

To my 8th graders- it has been such an honor to be a part of your middle school experience. You have welcomed me with open arms and taught me just how special this program is. As my first 8th grade class I have ever taught, you will always hold a special place in my heart. I can't wait to see you all go off to high school and change the world- I will be cheering you on every step of the way!

As my first year at Frost draws to a close, I've been thinking a lot about how lucky I am to have found my way here. The supportive community, the amazing parents, and of course the one-of-a-kind students... I know I have found my Golden Ticket, and I'm never letting go.

Enjoy the show!
